

CREATE Drones Challenge 2019 - 2020 Grant Application - NE/IA Hub

The CREATE Foundation is proud to announce a CREATE Drones grant program. These grants will be awarded to any Nebraska or Iowa school, organization or robotics program that is new to CREATE Drones, starts at least 1 team, and participates in at least two regular season tournaments.

Unsubsidized costs for a single team:

1. Equipment	\$200
2. Tournament Registration Fees (2 tournaments)	\$150
3. Team Registration Fee	\$150
Total	\$500

Grant:

1. 1 st Team - Assistance	\$250
2. 2 nd Team - Assistance	\$250

Obligation:

1. Purchase of CREATE Drone Kit (2 Drones and replacement parts.)
2. Participation in at least two regular season tournaments

Rules:

1. Limit of 1 grant per school / organization.
2. Limit of 3 teams per grant.
3. Grants apply to schools / organizations new to the CREATE Drone program.
4. Grant submission deadline is October 18th, 2019
5. All grants will be honored in the order in which complete grant applications are submitted. (There are a limited number of grants. It is recommended that grant applications are made as quickly as possible.)
6. Tournament registration fees will be paid by CREATE on behalf of teams. No refunds for teams not attending tournaments. Initial outlay per team under this grant is \$250. Payment is due upon delivery of equipment.
