

Important Notice - Text Messages!

Participating Students, Coaches, Parents,

We are using text messages to communicate to teams when they are to arrive at the queuing table to prepare for their match. **This is the only way they will be notified to report to the field.** Teams should arrive early to the queuing tables. Sending text messages is a courtesy but the final responsibility of getting to the matches on time rests with each team.

YOU MUST OPT-IN to receive the text messages. Once a number has been entered into the texting system a message will be sent to that phone requesting you to opt-in. If you do not respond to the message you will **NOT** receive any text. Be sure to opt-in by responding “yes” to initial text.

We look forward to a great event and Good Luck!
